IODINE-BROMINE SALT

Antibacterial bath, immune system support – 200g (10 spoons) of product add to the bathtub. Take a mineral bath for 10 to 15 minutes. Your skin absorbs all of the active minerals from iodine-bromine salt and Four Thieves Oils naturally supports immune system.

Peeling massage – Put small amount of cosmetic on the wet body and massage it until the salt melts. Wash out with warm water. Suitable for use in saunas.

Steam inhalation and improvement of microclimate in rooms – Put the bowl with hot, steaming water in the room to improve air quality and add 60g (3 spoons) of salt. Close the room and wait until the water stop steaming.
